

The Finishing Touches: BSI Accessories

BSI's experienced professionals start with sophisticated tools and only the best materials to produce every long-lasting solution. Guaranteed. With multiple top-of-the-line CNC routers and our CNC robot welder, BSI makes all of our parts and pieces in house, including special parts and pieces. We also invest in the latest lathes, miller gear shapers, and other special tools so we can get the job done right the first time. Fast.

We supply barrel parts, plating tank replacement parts, and plating barrel replacement parts—including miscellaneous parts, polypro gears, saddles, and steel gears. BSI produces both custom-made and ready-to-ship accessories for the following industries:

- Plating
- Waste Water
- Automotive
- Tool
- Fire Truck

BSI also stocks our facility with thousands of commonly requested accessories and offers same-day shipping for most orders placed before 3pm, so you can get back to finishing the job at hand.
